

Real ingredients for an unreal taste!

Only the best products are used including organic beef, organic flour, organic spelt flour for the vegan range and organic chick pea flour used in the gluten free range.

For superior taste and quality we use 100% butter instead of margarine.

All cooking is done using GMO free olive oil, which we also use in our healthy vegan pastry. All our pies are GMO free as well as being preservative free (except for the bacon in steak, bacon & cheese).

Our extensive range of authentic flavours from around the world are brought together ensuring consistency and quality.

Minimum pie-warmer temperature requirements – contact your local council for details
